   d) Stock detail with costing (if required)
   e) Customer /Supplier Ledger

E. Utilities
   a) Calculator
   b) Note pad
   c) Shortcut keys list

System Requirement
   A. Hardware
      1. Processor – Pentium IV and all above versions
      2. Hard disk – Minimum 10 GB
      3. Monitor – Coloured (14” , 15” or above)
      4. RAM – minimum 256 MB or above
   B. Software
      1. Operating System – Windows SP2 and above
      2. For Stand alone MS-Access

Application Price
   1. Software cost Rs. 15,000/-
   2. Data entry cost Rs. 2/- per entry (through book)
   3. Cost of Label Printer Rs. 18,000/- (for printing Barcode on Labels)
   4. Cost of Barcode Scanner Rs. 4,000/- (for scanning Barcode/ISBN Numbers from Books)
   5. Label Barcode Generating and pasting sticker Rs. 1/- per book
   6. Cost of Labels and Printing Ribbons as per required.

Terms and condition
   1. Any extra module added will be charged extra.
   2. No. extra charge for maintenance for the above mention feature.
   3. Software implementation period with data entry will take 2 months.
   4. Application cost to be paid immediately after installing the software.

Thanking you For SOFTEC
